

The 2<sup>nd</sup> Comprehensive Asia's Exhibition and Conference on Laboratory, Scientific Equipment and Technology

**Lab Innovation.....to the Lab Industry in Asia**

**Fair Date:** 26-28 September 2012 (10.00-17.00 hrs)

**Venue:** Grand Hall 201-203 and Pre-Function area, BITEC, Bangkok, Thailand

**Objectives:**

- To evaluate latest instrumentation and participate in product demonstration.
- To entire value-added chain for laboratory products and services.
- To provide trade opportunity for laboratory equipment industry in Thailand and in Asia.
- To be part of the promoting MICE industry to Thailand

**Organizer:** VNU Exhibitions Asia Pacific

**Co- Organizer:** Science and Technology Trade Association

**Main Sponsors and Supporters:**

- Ministry of Science and Technology
- Department of Medical Sciences, Ministry of Public Health
- Association of Medical Technologists of Thailand
- National Institute of Metrology (Thailand)
- The Thai Veterinary Medical Association of Thailand Under Royal Patronage
- The Virology Association (Thailand)
- Food Science and Technology Association of Thailand
- Technology Promotion Association (Thailand-Japan)
- The Pharmaceutical Association of Thailand Under Royal Patronage
- Thai Pharmaceutical Manufacturers Association
- Pharmaceutical Research and Manufacturers Association
- Thailand Convention and Exhibition Bureau (TCEB)

**Media Partner:** INNOLAB

**Supporting Media:** Food Focus Thailand, Asia FOOD BEVERAGE Thailand, INNOMag,  
Lab Asia, Industrial Automation Asia, Energy Asia, China Chemical News, China  
Chemical Reporter, Aqua Biz, Thailand Industrial Today

### Show Features:

- Exhibition (HealthLab Thailand, FoodLab Thailand, BioLab Thailand, EnviLab Thailand, ChemLab Thailand, EnergyLab Thailand)
- Workshop and Conference
- Product Demonstration / Activities

### Exhibitor Profile:

- Research and Innovation, Nanotechnology
- Laboratory and Analytical Techniques/Instruments/Technologies/Services
- Chemical and Reagents, Biochemical, Polymer
- Biotechnology, Life Science, Medical Science
- Healthcare and Safety Facility, Environmental and Pollution Control Systems
- Metrology, Calibration
- Pharmaceutical and Food
- Testing and Equipments/Machines, Microscope
- General Laboratory and Laboratory Furnishing/Interior, Facility for Analysis and Experiment
- Association, Institutions, Magazines

### Visitor Profile:

- Scientists, Research and Development Specialist, Analytical Instrument User and Engineer
- Environmental Management/Biotechnology/Life Science/Petrochemical Processing Specialist
- Chemical Industry Business
- Food and Beverage Testing/Processing Professional
- Pharmaceutical/Chemical/Machinery and Precision Equipment Manufacturer
- National and Public Research Institute, Associated Industrial Cluster Research Institute
- Corporate & Public Buyers, Analytical Instrument Dealer, Traders, Sales/Marketing
- Trade Association, Government Agency, Academic
